MERCATO Harvest MARKET

Fresh Picks, Carefully Selected.

At Mercato Harvest Market, we take care in selecting our vegetables so you can shop with confidence. Use your senses to discover freshness and choose the best produce for your table.

Choose vegetables with vibrant, even colours and fresh-looking leaves. Avoid signs of yellowing, wilting or visible damage.

LOOK

FEEL

Look for vegetables that feel firm and crisp for their type. Choose produce with a fresh appearance and avoid items that feel unusually soft or damaged.

SMELL

Fresh vegetables and herbs should have a clean, natural aroma. Avoid produce with unusual sour or unpleasant smells.

MERCATO TIP:

Choose vegetables of similar size when buying in bulk to help them cook more evenly.

MORE FRESH CHOICES FOR YOUR TABLE

Find ingredients for your daily essentials, family favourites and new recipes, all in one convenient destination.

ROOT

Carrots, potatoes, radish, beetroot
Dense, sweet and hearty. Root vegetables grow underground and reward slower cooking, which brings out their natural sweetness.

Best for: Roast, Braise, Soup, Mash.

Cook it right: Cut into even pieces so they cook through at the same pace.

FRUITING

Tomatoes, capsicum, eggplant, cucumber
Juicy, bright and versatile. Fruiting vegetables carry the flavour of the sun, and work beautifully raw or cooked.

Best for: Salad, Grill, Roast, Sauce.

Cook it right: Salt eggplant briefly before cooking to draw out moisture, and roast tomatoes for deeper sweetness.

LEAFY

Spinach, kangkung, lettuce, bok choy
Tender and quick to cook. Leafy greens need only moments of heat, so they keep their colour and bite.

Best for: Stir-fry, Salad, Soup, Steam.

Cook it right: Add at the very end, and cook just until wilted.

Norway's Finest, Flown Direct To MERCATO

Discover Norwegian salmon air-flown to Mercato for your enjoyment. Savour its delicate flavour and enjoy it grilled, pan-seared or prepared your favourite way.

NORWEGIAN SALMON

The classic, rich and buttery

Norway is among the best places in the world to raise salmon. The chilly water slows the fish's growth, giving it a smooth texture and a naturally rich, buttery bite. A versatile favourite for Sashimi, Grill, Pan-Sear and Bake.

Date: 29 OCT-1 NOV 2026

Whole:
RM49.99 /KG

ORGANIC SALMON

Raised with extra care

Organic salmon is raised with more space to swim, a more natural diet and stricter standards for how the fish are farmed. The result is a clean, delicate flavour and a firm, silky texture. Best enjoyed simply, so the natural taste of the fish can shine through.

Date: 29 OCT-4 NOV 2026

Whole:
RM78.90 /KG

FJORD TROUT

Bright, delicate and gently sweet

Often mistaken for salmon, fjord trout has its own identity. Its flesh is a vivid orange-red, with a lighter, milder taste and a tender, flaky bite. Raised in the same cold Norwegian waters, and works beautifully for Sashimi, Pan-Sear and Bake.

Date: 29 OCT-4 NOV 2026

Whole:
RM69.90 /KG
