Total Time: 5 mins  
Serves 1

These overnight breakfast oat bowls are endlessly customizable. Try one and experiment with different spices, nut butters, nuts, seeds, or fruit!

### Ingredients

- 1/2 cup whole rolled oats
- 1/2 cup almond milk or light coconut milk, more as needed
- 1/2 teaspoon maple syrup
- Pinch of sea salt
- Add desired toppings

### Instructions

1. In a small jar, combine the oats, almond or coconut milk, maple syrup, and salt. Stir and chill overnight.
2. In the morning, scoop the oats into a bowl, stir in more almond or coconut milk, if desired, for consistency. Top with desired toppings.
3. Alternatively, for a grab-and-go breakfast, you can assemble the oats in jars with the toppings the night before.
